

Sustainability

At Hubbell, we view social responsibility as a business imperative. Our electrical and utility solutions connect society, and we strive to support the people our business interacts with— from our employees to our communities and supply chain.

Hubbell's Employee Experience

Our employees are our greatest strength. We believe that we succeed together by providing a dynamic, rewarding environment where our employees can grow and thrive as individuals.

Hubbell's world-class employee experience includes four key aspects of a career path at Hubbell, from recruitment to development as leaders within the company:

Attract

Seek out talent everywhere.

Engage

Create and maintain ways for employees to connect and collaborate with each other.

Retain

Be an employer of choice by focusing on the employee experience.

Advance

Provide opportunities at all levels for employees to grow their skills and careers.

Inclusion, Diversity, and Equity

We strive to create a workplace where employees feel that their contributions are not only welcomed but valued, leading to better business outcomes and allowing employees to bring their whole selves to work every day.

[Read More](#)

Hubbell's four Inclusion Pillars guide our activities to foster a mission-driven, engaged workforce:

Business Results

Collaborative cross-functional teams aligned to drive business results.

Inclusive Culture

Expand leader capability in creating environments that foster belonging.

Inclusive Teams

Bring high-performing teams to advance Hubbell's strategic objectives.

Hubbell's Employee Experience

Drive a high level of engagement across the enterprise.

Employee Health and Safety

Ensuring the health and safety of our employees enables our people to live to their fullest potential, both inside and outside of the workplace.

[Read More](#)

We employ standardized environmental health and safety (EHS) protocols that apply to all operations globally, complemented by site-specific systems that guide health and safety efforts at the facility level. Hubbell's enterprise-wide EHS Policy and EHS Instruction Manual provide

clear guidelines for:

Community Impact

We aspire to nurture thoughtful relationships with the local communities that support us and pursue corporate citizenship through community engagement and philanthropic activities.

The Hubbell Foundation

The Hubbell Foundation sits at the heart of Hubbell's community impact efforts, supporting causes and communities that matter to our employees.

\$1.9

MILLION

donated by The Hubbell Foundation to non-profits, universities, and other organizations in 2024.

299

CHARITIES

were supported through donations or volunteerism in 2024.

Supply Chain Responsibility

We are committed to responsible sourcing and managing sustainability-related risks throughout our supply chain.

[Read More](#)

Hubbell's supply chain responsibility efforts are reinforced by a due diligence approach that is designed to drive accountability and results:

SUPPLY CHAIN DUE DILIGENCE AT HUBBELL

GOVERN

Establish strong policies and management systems

MONITOR

Screen suppliers and audit supply chain for risks

VERIFY

Audit suppliers to evaluate compliance and performance

ASSESS

Identify, assess, and measure risks in the supply chain

MANAGE

Develop, implement, track, and report strategies to address risks

ENGAGE

Engage with suppliers to strengthen partnerships and results

Expectations for suppliers are continuously reinforced by Hubbell's Third-Party Code of Business Conduct and Ethics

Hubbell's Third-Party Code of Business Conduct and Ethics

Hubbell's Third-Party Code of Business Conduct and Ethics is the foundation of our responsible sourcing practices. Our suppliers are expected to follow the principles outlined in this code and to apply these or similar principles to the suppliers that they work with as they provide goods and services to Hubbell.
