

Updated Supplementary guidance

The Attorney-General's Department has published Interim supplementary guidance to assist reporting entities to meet the mandatory reporting criteria under the Modern Slavery Act 2018 and provide better practice examples to drive continuous improvement. Read the guidance via the link below or in the Resources section

[More information](#)

The publication of modern slavery statements (statements) on this Register does not indicate compliance with the requirements of the *Modern Slavery Act 2018* (the Act). Pursuant to section 19(2) of the Act, the Attorney-General's Department publishes all statements properly submitted to this Register, including compliant and non-compliant statements, in order to maximise transparency and ensure entities are publicly accountable for their actions to address modern slavery risks. Statements that fail to meet the requirements for approval and signature set out in sections 13(2) or 14(2) of the Act will not be registered.
