Supplier List

Last update: 2026 FEB

The supplier list and details of relevant suppliers are based on the disclosure provided by our strategic and core suppliers for their respective factories. Tier 1 strategic and core suppliers cover 80% of our production volume. We have maintained long-standing relationships with most of the suppliers. However, we intend to update the list annually due to potential changes in business turnover from various situations. The supplier and their factory list are updated and are currently engaged to this date of update.
