Top Commitment

“To Realize a Sustainable Society Together”

What is Shiseido Sustainability?

We are aiming for achieving a sustainable society that makes people happy through beauty.

Priority Activities Theme

1

Efforts toward Realizing Diverse Beauty

We support women's empowerment as well as promote a wide variety of initiatives to help everyone live a beautiful life and stay true to themselves.

Priority Activities Theme

2

Efforts toward Building an Ethical Supply Chain

Working as a team, our supply chain aims to increase positive impact and reduce negative impact.

Priority Activities Theme

3

Efforts toward Recycling of Resources

We promote initiatives for sustainable resource use, including reuse and recycling.
