**Notes:**

Parent-subsidiary linkages are based on relationships current as of the latest revision listed in the Update Log, which may vary from what was the case when a violation occurred. The penalty dollar total above may be adjusted to account for the fact that the list of entries below may include both agency records and settlement announcements for the same case; or else a penalty covering multiple locations may be listed in the individual records for each of the facilities. Duplicate penalty amounts are marked with an asterisk in the list below.

Note: our penalty amounts include not only fines and monetary settlements but also costs such as supplementary environmental projects or consumer relief that companies are often compelled to undertake as part of settlements. If the settlement includes fines paid to state governments, those are included as well.
